My bad Inga. I'll get it tomorrow. I've been over my head in city finance paperwork.

Don,

Our friend in the alley is still there...the property he is on is actually a vacant unit. If you have the building owner's information then I can try to get a trespass authorization letter from him/her. I'd like to get this guy moving along before he gets too deeply entrenched in that one spot.

Thank you,

I should have the Trespass Authorization by Tuesday or Wednesday. Thank you.

Don,

There is a transient who has taken up 2 parking spots behind 7650 or 7662 Melrose (I'm not sure who the spots belong to--Urban Outfitters or the place next door). Riley has tried to talk this guy into leaving and then asked for my help to get him to move along. I went and talked to him, but he doesn't seem to have any intention of leaving. There aren't any "no trespassing" signs posted at this location, and I don't have a current Trespass Arrest Authorization letter for this location.

I warned this transient that he is trespassing and that he needs to leave or be arrested, but until I have a trespass arrest authorization letter, it's a fairly empty threat.

Can you get me a trespass authorization letter and I'll have this guy arrested?

Thanks!
